

It's time to make headlines with Disney's NEWSIES, the smash-hit, crowd pleasing, Tony Award-Winning musical that marks the first Disney production to be featured in STAGES' mainstage season! This rousing tale takes us to New York City where a band of newsboys, led by the charismatic Jack Kelly, become unlikely heroes as they stand up to the titans of the publishing industry. Along the way they learn what it means to come together, fight for what they believe in, and truly seize the day.
